A Message From the Mayor

While the sun may be fading earlier day by day, the spotlight is bright as ever in New Baltimore! Summer of 2026 brought more energy and entertainment than ever, starting with the Bayview Yacht Club first annual sail race from Detroit to New Baltimore, Anchor Bay Thunder and the expanded programming of the Farmers Market, bringing a special event to Downtown the 2nd Sunday of each month. The work and heart the civic and non-profit groups pour into New Baltimore isn't only special for Downtown, but puts forth effort throughout the city while giving each resident and visitor something to look forward to any given day. The fun doesn't stop after Summer, be sure to check out all of the incredible events New Baltimore has to offer, including the Parks & Rec Witches Walk, Trick-or-Treat on Washington Street and Jingle Bell Run, all of which you can see the details of in the back of this brochure. In addition to these staples, Anchor Bay Countryfest, co-hosted by the Downtown Development Authority (DDA) and the NBBA, bring an exciting two days of entertainment to Walter & Mary Burke Park on September 18th and 19th, headlined on Saturday by Uncle Kracker. You can see all the info at www.abcountryfest.com.

These organizations that put on these events not only provide quality entertainment for the community but put resources right back into it. First, we look toward Maynard 'Red' Aurand Memorial Park, where Bay-Rama, INC. donated \$150,000 towards a new playscape. With Parks & Recreation curating a matching grant, the community is receiving an incredible playscape at no cost to the taxpayers. Bay-Rama also agreed to rebuild the park signs at Festival Park with their funds. We salute Bay-Rama for not only what they give back to the community, but for what they offer the community with their programs and events. Be sure to see the Bay-Rama Christmas tree lighting on November 30th.

In the Downtown district, the DDA continues to enhance and beautify the area for your enjoyment. In the Spring, the DDA removed the sidewalk pavers and replaced the pavers with stamped concrete. This provides for an attractive, safe and assessable walk in Downtown New Baltimore for people of all abilities. The DDA also replaced all the street sign posts with decorative posts, a subtle but significant upgrade, ensuring the district continues to preserve the historic values of New Baltimore.

Another exciting update I am pleased to announce is the progress of the Baker building, the former home of Stahl's bakery. A lease has been secured for the first floor and will become New Baltimore's newest restaurant, Stahl's Snug, an Irish pub projected to open in February of 2027. Above that will become two luxury apartments and one standard apartment. We are grateful to see the continued development of the downtown district and welcome Stahl's Snug to New Baltimore!

New Baltimore city services are committed to serving you and continually working to make our community the best it can be. We value your input and encourage residents to share their thoughts and ideas at City Council meetings and commission meetings. All meetings are open to the public, and meeting schedules and agendas are available at www.CityofNewBaltimore.org.

Sincerely,
Mayor Thomas Semaan
